

NVC Geneva

WE CAN SHARE MORE NVC BECAUSE OF YOU!

We'd like to ask for CHF 5 or more per practice session, where there is joy and capacity to do so. As an annual gift, 2-3 practices/book clubs per month work out to CHF 120-180 per year.

We welcome donations of any amount and everyone is welcome, regardless of their ability to make a financial contribution.

YOU are gifting to...

...NVC Geneva a non-profit association. Our goal is to make Nonviolent Communication and related NVC training events accessible to as many people as possible. We use many resources, including money, to offer activities in pursuit of our mission, and we would like to ask for your financial support to replenish these resources and further grow our offerings and community. We would love to receive a financial gift as an expression of your gratitude, which also honors the investment in you while supporting us.

We invite you to receive this request as a practice of NVC, in which giving and receiving happens with a sense of freedom, choice, and flow.
